Recognised globally as a **leader in Orthopaedic Sports Medicine**, Professor YUNG Shu-Hang Patrick is the current Chairman of the Department of Orthopaedics and Traumatology, Associate Dean (Mainland Affairs), Faculty of Medicine and S.H. Ho Professor of Orthopaedics and Sports Medicine, The Chinese University of Hong Kong, focused on Orthopaedics sport medicine and arthroscopy surgery. He serves as the leader of a lot of international & local centres of sports medicine & health science, including being the Vice President of International Federation of Sports Medicine (FIMS), Past President of the Asian Federation of Sports Medicine (AFSM), Past President of the Hong Kong Association of Sports Medicine & Sports Science (HKASMSS), also as the Past President of the Hong Kong College of Orthopaedic Surgeons. He is also the Director of the Hong Kong Centre of Sports Medicine and Sports Science, The Hong Kong Jockey Club Sports Medicine and Health Sciences Centre, and the Centre of Neuromusculoskeletal Restorative Medicine (CNRM) of InnoHK cluster research centres.

A **keen researcher and educator**, Professor YUNG leads a team of CUHK researchers devoted to making advances in sports medicine and arthroscopy surgery. He has published over 200 scientific papers in international journals, contributing significantly to the establishment of Hong Kong's leading position in sports medicine. The head of the first ever Master Course in Sports Medicine & Health Science in Hong Kong & Asia- he has helped train over 1000 medical professionals in the field of sports medicine since 2005. He also conducted hundreds of training courses to teach people ranging from amateur sports lovers to medical professionals about the management of sports injuries, from delivering emergency care on the field to the treatment and rehabilitation of injuries. In his capacity as director of the Orthopaedic Learning Centre (OLC) of CUHK, he has contributed to the training and development of more than 12,000 Orthopaedics surgeons from all over the world over the past 20 years.

Professor YUNG is also committed to delivering **medical services in amateur and professional sports communities** in Hong Kong, China & overseas. As Medical Consultant for the Hong Kong Sports Institute, he has been volunteering his services for athletes of Hong Kong's elite sports teams and has been holding a weekly clinic at the Hong Kong Sports Institute since 2001. Since 2003, he has been acting as Team Physician for Hong Kong teams competing in several major international tournaments, focusing mostly on the management and medical care coordination of injuries suffered by the elite athletes of the Hong Kong Sports Institute. His commitment to the promotion of sports medicine education and delivery of clinical services extend to public amateur sports lovers, and Professor YUNG has been serving sports teams across all levels of education (primary, secondary and college level). He is also an active member of the Elite Anti-doping & Medical Panel of the Asian Football Confederation (AFC), and has been performing Anti-Doping works in major local and international sports competitions for the last 22 years. He remains an active member of the Anti-Doping Disciplinary Panel of the Hong Kong Anti-Doping Committee, Sports Federation & Olympic Committee of Hong Kong, China (SF&OC) and is a key figure in Anti-Doping in Asian football.

Professor YUNG is known for his **selfless dedication to community service**, particularly in promoting sports as an important part of an active and healthy lifestyle, as well as advocating for safety in sports for all participants. In his capacity of Chairman of the Community Sports Committee and the Student Sports Activities Co-ordinating Sub-committee of The Government of HKSAR as well as in his functions of Member of the Sports Commission of the Government of HKSAR, Professor YUNG advises the Hong Kong government on strategies and initiatives aimed at promoting community participation in sports, particularly in schools. He also works on fostering partnerships between different sectors of the community to promote major community sports programmes, develop territory-wide community sports facilities and improve existing sports facilities.

Professor YUNG's commitment to community services has helped make Hong Kong a global leader in the field of Sport Medicine & Arthroscopy Surgery. In recognition of his local and international contributions in the advancement of Sports Medicine & Health Science, he has been awarded the **"Ten Outstanding Young Persons of Hong Kong"** in 2009, the **"FIMS Fellows"** in 2011, the **"Award of Secretary for Home Affairs' Commendation Scheme"** of the Government of HKSAR in 2015.
